

INADO WORKSHOP

- International Collaboration – Cooperation with IF Testing Programmes
 - Leslie Buchanan, Anti-doping Director, International Triathlon Union

ITU Anti-doping Details at a Glance

- 1.5 employees in Anti-doping - Canada and Greece
- NADO contractors / collaborators – CCES and SAIDS

What are IF's (ITU's) “pain points” when dealing with NADOs?

- Approximately 50 RTP athletes and 20 TP athletes (Elite and Para)
- 23 NFs and 15 + languages represented in testing pools
- March 4-8, 2019 –12 + NADOs, 2 MEOs, 4 laboratories

What would optimal cooperation with IFs (ITU) look like?

- One point of contact. (Preferably in English and accompanied with chocolate.)
- Realistic expectations.
- Triathletes and paratriathletes included in testing pools, education and in everything that NADOs do.

Thank you.
