

2024 iNADO Workshop

Moderator Toolkit

WELCOME

Thank you for your participation in the 2024 iNADO Workshop as a moderator. The success of our Workshop is due to the expertise, knowledge, and experience of our moderators and speakers, and for that we are sincerely grateful for your time and commitment. We hope the information in this **Moderator Toolkit** will help you to prepare for an engaging session, as well as provide you with information on all aspects related to the Workshop including:

- Moderator information & recommendations
- Workshop information (inc. registration)
- Practical information during the Workshop
- Venue, transportation, & accommodation
- Important dates

Should you have any additional questions or concerns, please do not hesitate to contact a member of the iNADO Team (info@inado.org).

MODERATOR INFORMATION & GUIDANCE

To assist the smooth running of the workshop agenda, we are sending all our moderators and presenters some recommendations and guidance. If you have any questions or need further information, please do not hesitate to contact amy.dyer@inado.org.

A/V Equipment and presentations:

- AV equipment, including laptops/computers and microphones (for speakers and Q&A) will be setup, where available. Please check your room.
- A Master presentation deck for each session will be loaded onto a laptop/computer in each room.
- A member of the iNADO workshop team will be available in each room to assist with questions and AV issues.

Managing session timing:

- Begin and end the session on time - Where possible please keep to the allotted time to be respectful of other speaker's presentations and the overall program.
- Tell the presenter(s) how and when you will indicate they are nearing the end of their time.

Welcome and introductions:

- Welcome both participants and speakers.
- Introduce yourself as moderator, providing your name and affiliation.
- Introduce the session (title and presenter) - see your **Session Information notes** provided by iNADO for more detail.
- Speak slowly and as clearly as possible - English is not the first language for many participants.

Facilitating Q&As

- Be prepared with questions for the speaker(s), but prioritise audience questions.

Closing the session

- Thank all speakers as well as your audience for their attention.
- Share next session/break timings (e.g. coffee break 10.15.10.45)
- Leave all AV equipment (e.g. microphones etc.) in the room

ABOUT THE WORKSHOP

The 2024 iNADO Workshop will take place on the 14 March 2024 at the [University of Lausanne \(UNIL\) - Amphimax building](#) in Lausanne, Switzerland. Under the theme '**Embracing Diversity in Anti-Doping Practice**' the Workshop will provide an opportunity for our member NADOs and RADOs, as well as non-members and other anti-doping practitioners to learn and exchange ideas and practices that enhance our common purpose of "Working Together Towards Excellence" in anti-doping.

We expect approximately 200 attendees from across our members, NADOs and RADOs, International Federations, WADA, other sports organizations, and commercial companies in anti-doping.

Workshop theme

The theme of the 2024 iNADO Annual Workshop is ***Embracing Diversity in Anti-Doping Practice***. The ideas and practices presented are evidence of the diversity of organizations, people, solutions and challenges that contribute to the development of the iNADO community. Through our theme and agenda, we will explore practical issues in anti-doping such as how to include and consider the Athlete, education, intelligence and investigations, testing, code compliance, scientific innovations and research, as well as many other important topics.

Workshop Format

The 'in-person' Workshop will include a mix of plenary and breakout sessions with questions and discussion highly encouraged. We hope this format will offer more interaction and high-quality discussions for our participants. Presentations will be available on our website after the Workshop.

Registration for Speakers and Moderators

Speakers and moderators are not required to pay registration fees, and your registration is in addition to any free allocated spaces. Please contact info@inado.org if you are unsure or require further information.

PRACTICAL INFORMATION

Registration and Attendance

All participants must register before the workshop (see **important dates**). All registrants will receive their accreditation upon arrival at the Workshop venue.

Catering

Coffee and tea will be provided in designated areas during the breaks. Water fountains are available onsite. Each registrant will be provided with a lunch voucher which can be used to obtain lunch at the cafeteria.

Drinks Reception

iNADO invites all attendees to celebrate the close of the workshop and enjoy a final chance to network at a complimentary drinks reception.

Language

All plenary and breakout sessions will be conducted in English.

Program

To limit our environmental impact, only a 1-page printed Program summary will be available onsite. A detailed Program will be available online in a digital format.

Presentations

Following the Workshop, all presentations will be available on the “2024 Workshop” page on the iNADO website. Any speakers who do not wish their presentation to be shared on the iNADO website, please contact info@inado.org prior to the start of the Workshop.

Photography & Video

By registering for the event, you agree to the use of the images resulting from the photography/video filming, and any reproductions or adaptations of the images for publicity or other purposes of iNADO.

Entry Visa

Any participant requiring a visa to enter Switzerland is responsible for obtaining their entry visa. For the list of nationalities requiring an entry visa, please consult the [Swiss Federal Office for Migration](https://www.smb.admin.ch/smb/en/home/visa-immigration/entry-visa.html) website. iNADO is able to provide a formal letter of invitation to the Workshop, if requested. Please contact info@inado.org.

VENUE, TRANSPORTATION & ACCOMODATION

Venue

The Workshop will be held in the Amphimax building at the [University of Lausanne \(UNIL Amphimax\)](#) in Lausanne, Switzerland with the support of the Center for Research and Expertise in anti-Doping sciences (REDS).

The address: UNIL Amphimax, Rte de la Sorge 9, 1015 Lausanne, Switzerland

Transportation

The venue can be reached easily by public transportation.

Metro: **M1** can take you to the “UNIL-Sorge” station within 100 meters of the Amphimax.

Accommodation

Hotel accommodation in Lausanne is limited, therefore we recommend early booking. Online hotel bookings can be made through [WADA's 2024 Annual Symposium hotel booking platform](#).

Travel Costs

All participants, including speakers and moderators, must cover their own expenses related to transportation, accommodation, meals (outside of the Workshop), travel medical insurance and any other miscellaneous costs, unless previously agreed with iNADO.
